Here is the current draft of the Idaho briefing paper for Thursday. Lauren will also be posting to sharepoint and circulating with the group shortly for comment.

Sorry for the delay! Great job putting this together so quickly. I did the best I could given the quick turnaround and batting off interruptions. Let me know if you want to discuss the edits/comments before it goes on sharepoint. I think the potential next steps needs some work and I may revisit that time permitting. Talk soon!

Hi Endre,

A drafting briefing paper for our meeting with David is attached. There's a lot here, so welcome your thoughts on what to highlight. Ex. 5 Attorney Client (AC)

Ex. 5 Attorney Client (AC) Once you've had a chance to review this, I'm hoping to share with the broader group (including our managers and program folks) later this afternoon. Let me know if you think that's doable.

Thanks!
